

The Dutch Accreditation Council RvA, by law appointed as the national accreditation body for The Netherlands, hereby declares that accreditation has been granted to:

**Leids Universitair Medisch Centrum (LUMC)
Laboratorium voor Diagnostische
Genoomanalyse (LDGA),
Afd klinische Genetica
Leiden**

The organisation has demonstrated to meet both the technical competence requirements and the management system requirements that are necessary to consistently deliver technically valid results.

This accreditation is based on an assessment against the requirements as laid down in EN ISO 15189:2012.

The accreditation covers the activities as specified in the authorized annex bearing the registration number.

The accreditation is valid provided that the organisation continues to meet the requirements.

The accreditation with registration number:

M 007

is granted on 25 October 2006

This declaration is valid until
1 November 2022

The Chief Executive

Ir. J.C. van der Poel
