

Contact card for patients receiving chemotherapy.

<p>Non urgent complaints</p> <p><i>In case of the following non urgent complaints you can contact the oncology nurse during office hours or discuss the complaints at your next appointment with the oncologist.</i></p>	<p>Serious and urgent complaints</p> <p><i>In case of the following serious complaints you should contact the hospital immediately.</i></p>
<ul style="list-style-type: none"> • A temperature of 38.0-38.4 °C and/or feeling unwell. 	<ul style="list-style-type: none"> • A temperature of 38.5 °C or higher and/or chills.
<ul style="list-style-type: none"> • Feel dizzy or experience severe fatigue (in bed/lying on the couch for more than 50% of the day). 	<ul style="list-style-type: none"> • A sudden rash.
<ul style="list-style-type: none"> • A sore mouth, which causes problems or pain when you are swallowing. 	<ul style="list-style-type: none"> • A nosebleed that lasts longer than 5 minutes, or recurrent nosebleeds (more than 2 times a day) or persistent bleeding from a wound (more than 30 minutes).
<ul style="list-style-type: none"> • Painfull or burning eyes. 	<ul style="list-style-type: none"> • Bruises without bumping into anything.
<ul style="list-style-type: none"> • Can only drink 1-1,5 liters a day. 	<ul style="list-style-type: none"> • Can drink less than 1 liter a day.
<ul style="list-style-type: none"> • No stool for longer than 3 days. 	<ul style="list-style-type: none"> • Severe and persistent vomiting (more than 2 times a day).
	<ul style="list-style-type: none"> • Diarrhea more than 4 times a day.
<ul style="list-style-type: none"> • Tingling or numbness in fingers or toes. (Unless your doctor informed you of this side effect). 	<ul style="list-style-type: none"> • Blood in your urine or very heavy periods. • Blood in your stool and/or black stools.
<ul style="list-style-type: none"> • Questions concerning prescriptions or appointments 	<ul style="list-style-type: none"> • Pain while urinating and/or dark urine.
	<ul style="list-style-type: none"> • Experience sudden breathlessness and/or pain breathing

If you are uncertain about something, have a question about your treatment/physical complaints, or have a complaint of which you are not sure whether it is 'normal', you can always call the hospital. It is convenient to keep your patient number ready when you call. This number can also be found on your contact card.
